Whittington U Conceal Carry Course

Overview:

The **Whittington U New Mexico Conceal Carry Course** is an **Introductory Course** designed to provide you with the information needed to make an informed decision concerning your ability to provide for YOUR defense. This course has been approved by the State of New Mexico and is to be used for issuing a Certificate of Competency.

Students are urged to continue your training with intermediate and advanced training programs available through the **Whittington U Defensive Academy**.

How you choose to provide for your defense is a personal choice that can only be made by you and you alone. The Whittington U advocates the **Everyday Implementation of the Firearm in a Consistent-Efficient-Safe Manner**. Violence is always the **Means of Last Resort**. However, it is up to you to be the Responsible and Obligated firearm owner. Consider this course as the first step in a Defensive Lifestyle.

Do not take this **Lifestyle** choice lightly.

Whittington U has partnered with **Professional Marksmen Inc.** to provide world class, dynamic instruction for all Whittington U courses. All Whittington U **Lead Instructors** are combat veterans who bring with them a tremendous skillset. PMI's motto is; "Train for Everyday" and that is exactly what you will receive. **Real World Training for Real Life Situations.**

What You Will Need:

- Sidearm .32 cal or larger (Semi-automatic Pistol and/or Revolver) See paragraph below for clarification
- 150 Rounds Ammunition (25 additional rounds needed for each sidearm you are qualifying in)
***** Hand Loaded Ammunition Is Not Acceptable*****
- 2 magazines / Speed Loader Highly Suggested
- Holster (Strong Side Hip Holster Only)
- Sturdy Belt
- Hearing / Eye Protection
- Sunblock
- Camelback or water bottle/container
- Weather appropriate clothing

Sidearm Clarification:

- All sidearms must be .32 caliber or larger per state law section 29-19-7.
- You may certify on both or either semi-automatic pistol and/or a revolver. Your NM license will only allow you to conceal carry the largest caliber upon which you successfully qualified.
- Example: If you choose to qualify with only a 9mm semi-automatic pistol, you cannot conceal carry any larger caliber such as 38, 40, or 45, you would be limited to 9mm or smaller semi-automatic pistol only. However, if you qualify with a .45 caliber, you can carry a .45 and smaller.
- It is highly encouraged to bring the largest caliber sidearm of which you anticipate to carry.
- There will be practice/training drills prior to the qualification. You may shoot whatever sidearm you wish during that time and switch to the larger caliber for the final qualification test.
